

# **Equipment For Sale**

## **August 2010**

1. Sunraise Electric Thermograph - HP 15 - \$1500  
Large unit that will handle 11 x 17 stock - good condition  
Runs fine with standard powder. Tends to clog with laser powder
2. Kluge 12 x 18 with foil - \$2000  
Good condition
3. Therm-o-type Super SF-2000 Foil Stamping Machine - \$1000  
Good condition. Ready to run.
4. Hamada RS34LSH - \$3500  
Good condition. Ready to run.
5. Hamada RS34LSH - Needs parts - \$2000  
Good condition, but needs: gripper bar, bridge roller for water unit,  
delivery chain

Due to economy and downsizing, we will be moving to a new/smaller location before the first of the year and don't want to take equipment we don't use with us.
